Greetings from the Hamilton School District Band Boosters. We are a non-profit organization and proud supporters of the award-winning Sussex Hamilton High School Charger Band program.

We provide financial support to a very comprehensive music program that includes:

- Marching band with color guard
- Two concert bands
- Two jazz bands
- Two pep bands
- Multiple student led ensembles

There are over 100 students performing in a range of activities from concerts at our high school, Wisconsin solo and ensemble festivals, pep band for school varsity sporting events, community events, parades, and marching band competitions across southeastern Wisconsin.

Most recently, the band was awarded Best Overall Visual Performance at the Greendale Preview of Champions and performed at the 2022 Wisconsin State Music Association Marching Championships held at University of Wisconsin – Whitewater Warhawk Stadium.

In 2019, the band represented our community in London, England. In 2023, the band will travel to New York to participate in a clinic with the NY Philharmonic conducting staff as well as experience the amazing music atmosphere. Through these activities, students gain self-confidence, learn teamwork, develop leadership skills and engage in community involvement. The boosters also fund scholarships and educational camps promoting instrumental music excellence and leadership. Community support helps make this possible.

We are asking for your support with a donation to our annual appeal. In return, your business will be recognized for supporting the Sussex Hamilton Charger High School Band as outlined on the Crescendo sponsorship that follows.

Thank you for your consideration of the Sussex Hamilton Charger High School Band. We look forward to your support.
